

**Appendix 2 to Memorandum of Agreement between USCG and the National Science Foundation Regarding Polar Icebreaker Standard Transits to Polar Regions**

The parties below agree to the following standard polar icebreaker transit days:

	Seattle	Dutch Harbor	Nome	Barrow	Antarctica
Seattle	--	7	9	10	33
Dutch Harbor	7	--	3	4	*
Nome	9	3	--	2	*
Barrow	10	4	2	--	*
Antarctica	33	*	*	*	--

\*Transits directly between the Arctic and Antarctic will be calculated if needed.

Agreed on this 9th day of May 2013:

Susanne M. LaFratta  
Senior Advisor and USCG Program Manager  
Office of Polar Programs  
National Science Foundation

Rajiv Khandpur  
Chief, Office of Waterways and  
Ocean Policy  
U.S. Coast Guard
